TO: MAYOR AND COUNCIL

TODAY NOV 24/2009 I VISITED NORWAY PT BOAT LAUNCH, DOCKS AND PICNIC AREA TO LOOK AT THE PRESENT STATE OF THE CONDITIONS. MY OVERALL VIEW IS THAT THE AREA KNOWN AS NORWAY POINT IS IN A TERRIBLE STATE OF DISREPAIR. THE BOAT LAUNCH NEEDS TO BE UPGRADED, THE PUBLIC DOCKS ARE UNSAFE AND BECAUSE OF THE GRAB OF THE PARKING LOT ANYTHING DEPOSITED THERE IE GAS, OIL, GARBAGE IS RUNNING IN TO THE LAKE.

I JOHN LOBNAICO HAVE SUBMITTED TWO SITE PLANS. NUMBER ONE SITE PLAN IS PRESENT. NUMBER TWO SITE PLAN IS PROPOSED.

I KNOW THAT MAYOR AND COUNCIL WILL TAKE THIS MATTER VERY SERIOUSLY AND HOPEFULLY WILL CREATE A PERMIT SYSTEM FOR THIS AREA. IT WILL BE BENEFICIAL TO BOTH RESIDENTS AND COTTAGERS IN ORDER TO COVER THE COST OF MAINTAINING
