By-law 09-04 -- Regulating of Animals  
By-law 09-11- Huntsville Animal Shelter Agreement

In March of 1993 the Township entered into an agreement with the Animal Shelter for Huntsville to provide pound services for the Township of Lake of Bays.

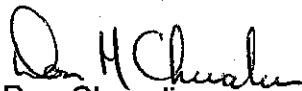

The grant of \$1,200.00 entitles the Township to board a maximum number of ten (10) dogs per calendar year. The Shelter has informed the Township that due to increased boarding costs a maximum number of dogs are warranted. To board additional dogs (beyond 10 per calendar year), the Shelter has requested an additional fee of \$100.00 per dog. This additional cost of \$100.00 per dog applies after a total 10 dogs, in the same calendar year, have been brought into the shelter.
