Subject: Application for Operation of a Hot Dog Cart in Baysville

Morning Mike,

Could you please pass this on to the Mayor's and Councillors attention.

Madam Mayor & Respected Councillors,

I am applying to the Twp. of Lake of Bays for a license to operate a Hot Dog and Sausage Cart at the Tourist Information Centre in Baysville, I have received the consent of the Huntsville Chamber of Commerce and am in the process of applying to the District of Muskoka for their permission.

The reason for this letter is to ensure that a licence will be approved by the Twp. of Lake of Bays before incurring significant costs associated with the purchase of a cart and all the attendant fees to the Huntsville Chamber of Commerce, Twp. of Lake of Bays, Insurance and other start up costs.

Your valued and considerate review of this request and response is appreciated.

Yours truly,
Wayne Arbeau
