Subject: Letter of Support

Greetings Your Worship,

Please see attached a letter of support that we are requesting from the Township of Lake of Bays. The Chamber will be embarking on a Strategic Planning Session that will ultimately change our vision, set our goals and make a few changes to the governance of our association.

We are looking for your support as we attempt to secure a grant to assist in the financial expenses of this initiative. The deadline for this grant is November 15th.

Thanking you in advance for your assistance. I look forward to hearing from you in due course.

Sincerely,
Chantelle

Muskoka Futures
Attention: Muskoka Community Initiative
111 Manitoba Street
Bracebridge, ON
P1L 2B6

Dear Sir or Madam,

The Council of the Corporation of the Township of Lake of Bays supports the submission of a Muskoka Community Initiative Application by the Huntsville/Lake of Bays Chamber of Commerce for assistance with their Strategic Planning Session.

Over the past several years, the Huntsville/Lake of Bays Chamber of Commerce has shown our community and surrounding area the important role it plays in economic development. Through their successes in Marketing Our Community, the Ironman 70.3, and Doors Open, the Chamber shows its dedication to the economic health in both our business community and communities at large.

Through the Chamber's Strategic Planning Session initiative, our communities will be strengthened as the Chamber continues to grow its membership, partnerships and economic tools. In these challenging times, the Chamber has persevered in making advances in economic development opportunities when there are few chances to seize upon.

The Council strongly encourages you to consider the Huntsville/Lake of Bays Chamber of Commerce for this grant to support their Strategic Planning Initiative, so we may all benefit.

Yours very truly,

Janet Peake
Mayor
