

Lake of Bays Strategic Plan Public Input Meetings Are Just Around the Corner!

Press Release
July 7, 2009

Residents of Lake of Bays are being asked to attend one of three public meetings to help plan for the Township's future. The interactive meetings will give permanent and seasonal residents a chance to communicate what is most important to them about life in Lake of Bays. The end result will be a strategic plan that will guide the Township in making decisions about how to spend taxpayers' dollars over the next five years

Thanks to FedNor funding, complimentary rides are available to and from the meetings for anyone who otherwise wouldn't be able to attend. Also, qualified child care will be available on site at no charge for children (aged 4-12) whose parents are attending the meeting. To take advantage of either of these services please call 635-2722 in advance.

The meetings are scheduled as follows:

Tuesday July 14th	Baysville Community Centre	6:30 – 9:30 PM
Thursday July 16th	Dorset Recreation Centre	6:30 – 9:30 PM
Saturday July 18th	Dwight Community Centre	9:00 – 12noon

People who can't get to a meeting are asked to visit the Township's website at www.lakeofbays.on.ca to share their ideas in a questionnaire. While at the site, check out the just-released *Community Profile*, a report outlining key feature about the Township's population.

General inquiries can be made to Stefan Szczerbak at the Lake of Bays Township offices, at 635-2722, and at planner@lakeofbays.on.ca
