

## NOTICE OF PUBLIC INFORMATION SESSION

**Information Session** – to ask questions and provide comments

**Date:** Wednesday, February 2<sup>nd</sup>, 2022

**Time:** 2:00pm

**Location:** electronically on zoom

**File Type & number:** Communications Tower Proposal – CT 02/21 LOB

**Property Address:** 1294 Oxtongue Rapids Park Road – along Highway 60

Rogers Communications Inc. has submitted a proposal for a 70 metre tall self-support telecommunication tower in a fenced compound on municipally-owned property. The tower is proposed off of Highway 60, approximately 185 metres west of Angle Lake Road. The proposal supports communication services in the area, and will also improve wireless signal quality for the local residents, those traveling along the major roads, as well provide local subscribers with Rogers' wireless network coverage and capacity for products and services such as iPhones, Smartphones, Tablets and wireless internet through the Rogers Rocket Stick technology in the surrounding area.

**ANY PERSON** may make a written submission to the individuals listed below by 5:00pm on February 5<sup>th</sup>, 2022 with respect to this matter.

**PLEASE TAKE NOTICE** that the approval of communication facilities and their design are under the exclusive jurisdiction of the Government of Canada through Innovation, Science and Economic Development Canada (ISED).

**ADDITIONAL INFORMATION** relating to the proposed tower and site will be available for review at a Public Information Session to be held on Wednesday, February 2<sup>nd</sup>, 2022 beginning at 2:00pm. The meeting will be held electronically.

All comments and submissions received will become part of the public record.

For additional information and **to register to attend the information session, please contact:**
