

NOTICE

Cancellation - Dwight and Baysville Library Programs

March 13, 2020

In the interest of the health and safety of our community, the Library Board has put the following preventative measures in place at this time:

All programs and events taking place at the Baysville and Dwight Branches of the Lake of Bays Public Library are CANCELLED starting Saturday, March 14, 2020. We will re-evaluate this decision on April 5th. We are exploring the option of running some programming virtually and will get the information out to you through our social media channels and our website when we have that set up.

The library branches remain open at this time and we are doing extra cleaning and disinfecting throughout the day. We ask you, the library users, to use the hand washing facilities and sanitizing gel while you're in the library.

Should you have any further questions, please contact Cathy Fairbairn, CEO/Librarian at 705-635-3319.
